# ABERFELDY - ETTRICK - SCOTSDALE

ANNUAL SHORTHORN SALE

MONDAY, OCTOBER 3, 1966

Georgetown, Ontario

# Where Else in 1966 Can You Choose From the Blood of Stock Bulls Like These?

Aberfeldy, Ettrick and Scotsdale are blessed with an abundance of stock bulls, each of which is nationally known. With grand champions at the Royal Winter Fair, International and Perth;

## CALROSSIE PREFECT

Supreme champion at Perth in 1952, he has stamped his calves with exceptional size and character. He sired the International grand champion Scotsdale Jupiter that in turn sired Scotsdale Navarre, Royal Winter Fair champion. Today, the Scotsdale herd is line-bred to this massive sire that stands out as one of the greatest of all time.

## SCOTSDALE TAURUS

Scotsdale's son of the world famous Bapton Constructor. He is out of Scotsdale Joanna Broadhooks by Calrossie Prefect. Both sides of the pedigree carry the valued Calrossie Welcome-Kirkton Baronet cross that has contributed mightily to present-day Shorthorns.

## ABERFELDY GOLDEN GUINEA

Retained at Aberfeldy, he is the only maternal brother to Aberfeldy Royal Robin. He is by Aberfeldy Captivator! With this individuality and heritage, he has a special place in the Aberfeldy breeding program.

## ABERFELDY ROYAL ROBIN

The AAA, many-times-champion. He sired two International supreme champion bulls and a reserve grand champion bull in three years. Also sire of four consecutive winning gets-of-sire at the Royal Winter Fair, four consecutive Royal champion bulls, three All-American senior gets, 19 All-Americans and an International reserve champion female. What other bull in service today can match that record? Two sons, two grandsons, fourteen daughters and four granddaughters sell.

## SCOTSDALE TEHRAN

This son of the Royal Winter Fair champion, Scotsdale Navarre, he weighs 2,300 pounds on pasture. He is out of Calrossie Princess Romana by Bapton Balmoral. A sire of great strength, he has a prominent place in the future breeding program at Scotsdale.

## NAEMOOR ESCORT

Reserve supreme champion at Perth in 1962, he sired the second-prize get-of-sire at the 1964 International and many of the winners that made Scotsdale premier breeder and exhibitor at the 1965 Royal Winter Fair. He is by the Perth Champion Bapton Controller and out of Naemoor Cinderella Dazzle by Calrossie Defiance that was a full brother to Calrossie Paramount, the Perth supreme champion, and to Calrossie Armada, used at Louada. The maternal grandsire was Calrossie High Tension, Perth reserve champion.

## SCOTSDALE ULTIMUS

Reserve grand champion at the 1965 Canadian National Exhibition. Sired by Scotsdale Navarre, the Royal Winter Fair grand champion. Dam is Scotsdale Flossy Laura by Scotsdale Jupiter, International supreme champion.

## ABERFELDY EXCHEQUER

The All-American senior yearling, grand champion at the Royal Winter Fair and CNE and reserve champion at the International. By Aberfeldy Royal Robin and out of a Calrossie Beauty by Calrossie Hyperbole.

## DUNCRAHILL BUFFALO BILL

By Bapton Welcome, he is out of a Duncahill Broadhooks by Chapel-Principal. He arrived at Aberfeldy the year Royal Robin was born, so his use has been limited. Nonetheless he has sired International first-prize winners and All-Americans and is a bull which Aberfeldy feels fortunate to own.

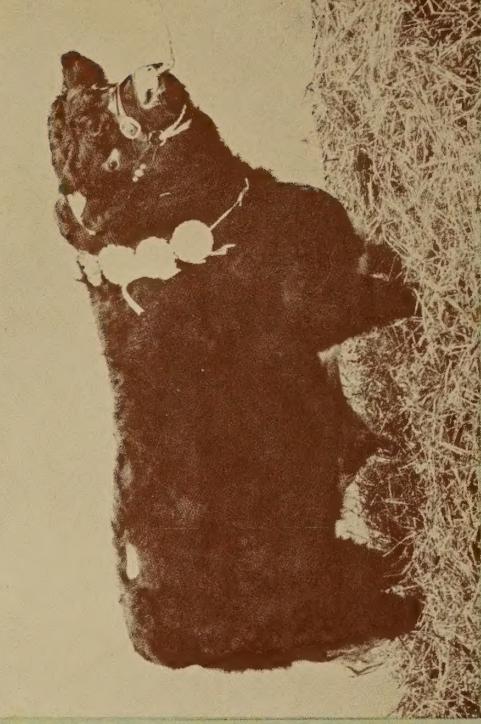

## SCOTSDALE MARSHEL

Senior stock bull at Ettrick, he is one of the few AAA bulls in North America. He was grand champion of the 1958 Royal Winter Fair and later top bull of the year at \$10,000 in the International sale. By Perth champion Calrossie Prefect, his dam was the top open heifer in the Kirkton dispersion.

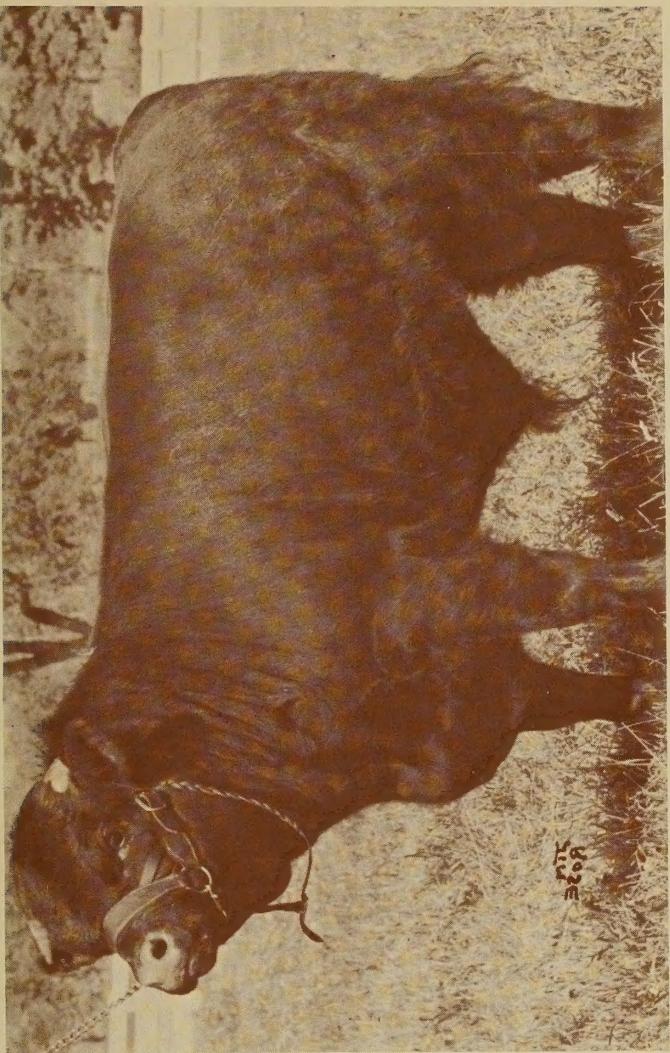

All-Americans; sale toppers, and a number of AAA bulls, the sale provides a real bloodbank on which breeders anywhere can draw to real advantage.

**ABERFELDY HABITANT—A** bull with tremendous size and substance, he is much better than his picture shows him to be. Perhaps the best Captivator to date. Many visitors tell us he is a better bull than our All-American sons of Captivator in 1965. He is of this same calibre and is worthy of close inspection as a stock bull candidate for any herd in the world. Aberfeldy Roan Lady 10th is first backed by showing champions on both sides of the pedigree. Aberfeldy Tess was twice an International class winner and twice a reserve All-American. She raised Aberfeldy Tess 3rd the year she was reserve All-American two-year-old.

**ABERFELDY HARVEY—**By 1963 International champion Aberfeldy Deacon and out of a Calrossie Forward March dam. This calf has great style and balance throughout and is backed by showing champions on both sides of the pedigree. Aberfeldy Tess was twice an International class winner and twice a reserve All-American. She raised Aberfeldy Tess 3rd the year she was reserve All-American two-year-old.

SCOTSDALE BUTTERFLY VIRGINIA—By Naemoor Escort, fer, reserve grand champion at Chicago in 1958. This Butter- fly family has produced more show cattle than any other family for us. A full sister went to Lee Johnson of Ohio of the good imported Calrossie Rosewood cow and by Cal- rossie Prefect, supreme champion at Perth in 1952. Bred for \$1,250. The dam is a full sister to the dam of Scotsdale Meridian. Bred March 3 to Scotsdale Ultimus, junior and reserve grand champion at the Canadian National Exhibi- tion at the Royal Winter Fair.

Due to exchange differential the U.S. dollar is at approximately a seven per cent premium in Canada. This exchange more often than not is enough to pay costs of transportation. Remember, that the herds selling will be happy to hold your purchases until group shipping can be arranged or until the Royal Winter Fair or the International Livestock Exposition.

ABERFELDY PRINCESS ELLEN—Bred to Aberfeldy Field Marshall, the 1965 International champion. The only Cappitator heifer we are selling, but one that can uphold the great reputation of her sire. Aberfeldy Princess Royal 3rd was the only daughter of Crichton Princess Royal 27th. Princess Ellen is her first calf. Her second, a bull, is even more outstanding. Crichton Princess Royal 27th is dam of two All-American bulls—Aberfeldy Fearless, purchased at top of the International sale by Bob Stimson, Dumas, Ark., and Aberfeldy Grenadier, purchased by Adam Clark, Dundas, Ont., in the 1965 sale and shown to first place at the 1965 International. She is also dam of Aberfeldy Demonstrator, sold in the Congress sale to Mr. and Mrs. Dorman of Nebraska in 1962.

FEMALE, red roan, calved June 20, 1960. Bred by C. & N. Moores; owned by N. D. Hogg, Uxbridge, Ont. Tattoo RE XOM T26

**BAPTON AUGUSTA MARG, Lot 52.**

BAPTON AUGUSTA MARG—Napoleon was junior and reserve supreme champion at Perth in 1959 and sold for \$10,500. Baption Augusta Heather was a famous show cow too, that the consignors will be glad to hold any purchases until the time of the Royal Winter Fair, the International Livestock Exposition or until the most economical pool shipping arrangements can be made.

**U.S. FUNDS AT A PREMIUM**  
The United States dollar is at a premium of about seven per cent in Canada. This exchange differential more often than not pays the cost of shipping your purchases home. Remember too, that the consignors will be glad to hold any purchases until the time of the Royal Winter Fair, the International Livestock Exposition or until the most economical pool shipping arrangements can be made.

**Health:** All animals will be sold to comply with the regulations of any province or for entrance into the United States. **Terms:** The terms of the sale are cash. Checks should be handed to the clerk immediately following the auction. Please be sure to have the clerk record your shipping instructions and transfer information. All announcements at sale time, written or oral, supersede any written material in this catalog.

**Liability:** The consignors to the sale, their helpers or employees accept no liability for accidents that may occur. Accidents at cattle sales are very rare, but all attending must do so at their own risk. The sale manager, auctioneers, ringmen, clerks and others were employed by the owners for specific tasks, promotional and clerical, and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees or the health papers. The sale of each animal constitutes a contract between the buyer and seller of each lot although the sale manager cannot be responsible for fulfillment of that contract. All cattle are at the risk of the new owner as soon as bid off, but every effort will be made to provide for their safety and well-being.

**Telephones:**

Norman D. Hogg, Ettick, Uxbridge, Ont. (416) UL 2-3282.

**Show Rights:** All consignors reserve the right to select any animals selling for their show herds and to keep them until after the International Livestock Exposition in Chicago.

**Delivery:** All consignors will gladly hold any of these cattle until the Royal Winter Fair, the International or until any pool shipment may be arranged to facilitate the most economical transportation.

**Further Information:** The owners, managers, or sale manager will give you their critical appraisal of any of the cattle listed in the auction.

**GENERAL INFORMATION**

**Time and Place:** Monday, October 3, 1966, at 12:30 P.M. Georgetown Sales Arena, Georgetown, Ontario, Canada. Twenty-five miles west of the Toronto International Airport. See map on the preceding page for the location of the sales arena and farms of the consignors.

**Lunch:** Available at the sale arena.

**Transportation:** Toronto is easily reached by any means of transportation. We will be pleased to meet trains or planes if advance notice is given to any of the consignors or to the sale manager. Should you miss connections call the sales arena (416) 877-4101. Interstate highways connect from all parts of the United States and come within 15 miles of the sales arena. May we point out, however, that the cost of a round-trip airplane ticket from Chicago to Toronto is about \$55. Rail fare is roughly the same. Traveling alone, it is difficult to beat this by car. Transportation will be provided for those without automobiles and cars will return to the air and rail terminals following the sale. However, for those who prefer, rental car facilities are available in Toronto.

We urge you not to make connections so close that you arrive in Toronto on Monday morning. Although the airport is close by, and we will be happy to meet late arrivals, your stay will be more enjoyable if you arrive on Sunday and are our guest at dinner that night.

**Sale Headquarters:** The Thunderbird Motel, Brampton, Ont. Write to them directly mentioning that you will attend the sale. Reservations may also be made directly through the consignors or the sale manager.

**Auctioneer:** Paul Good, Van Wert, Ohio.

**Guarantees:** All cattle are sold under the standard guarantee endorsed by the American Shorthorn Ass'n.

**Mail Bids:** We hope it will be possible for you to attend the sale, if it is not, there are many competent and reliable representatives to whom bids may be sent. Each of the following will attend the sale:

E. H. Stoltz, executive secretary, Canadian Shorthorn Ass'n, Gummer Building, Guelph, Ont.

C. D. Swoffar, executive secretary, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb.

W. L. Elliott, secretary, Ontario Shorthorn Club, R4, Guelph, Ont.

**Insurance:** Will be available at the sale.

**Premium on U.S. Fund:** The U.S. dollar in Canada is at a premium of roughly seven per cent. This exchange differential more often than not pays the buyer's cost of getting the animal home.

**Transfer of Pedigree:** Following the sale the consignors will provide to their expense, pedigree transfers to the name of the new owners in the Canadian Shorthorn Herd Book. Further transfer to the U.S. herd book is at the expense of the new owner.

**Dinner:** Plan to be our guest at dinner Sunday evening, October 2, at The Thunderbird Motel, Brampton, Ont.

ETTRICK BRIGHT CONNIE—Another Bright heifer by Louada Blockbuster from the outstanding Bright Carol that we imported from James Biggars. This family was from Cruggleton originally and has produced many champions from the Chapelton herd in Scotland. Chapelton Bright Fortune was junior champion at the Royal Show in 1956 and Bright Fashion won the Calrossie Cup at the same show in 1957. Will be bred to Ettrick Sir Winston before the sale.

From left are Ettrick Princess Elaine, Lot 57; Ettrick Crystal Maude, Lot 58; Ettrick Bright Eve, Lot 61, and Ettrick Bright Connie, Lot 60.

ETTRICK BRIGHT EVE—A member of James Biggars's well-known Bright family. Her dam is probably the top Scotsdale Marshal daughter in the herd. Her granddam is one of our best females and has in her female line, Bright Constance, Bright Fay and Bright Fanny, all of them having contributed to the success of this great family. Will be bred to Ettrick Sir Winston before the sale.

# A Warm Welcome Awaits You

Each of us connected with the Aberfeldy-Ettrick-Scotsdale sale looks forward to your visit with the keenest anticipation. The breeding programs in each of the herds is well-known and we sincerely feel that there are stock bulls and females selling that would be a credit to Shorthorn and Polled Shorthorn herds anywhere.

SCOTSDALE  
MARSHALL,  
AAA

For the first time the catalog of this sale is printed in its entirety in *The Shorthorn World* so that breeders everywhere can see the type of breeding programs being carried on here.

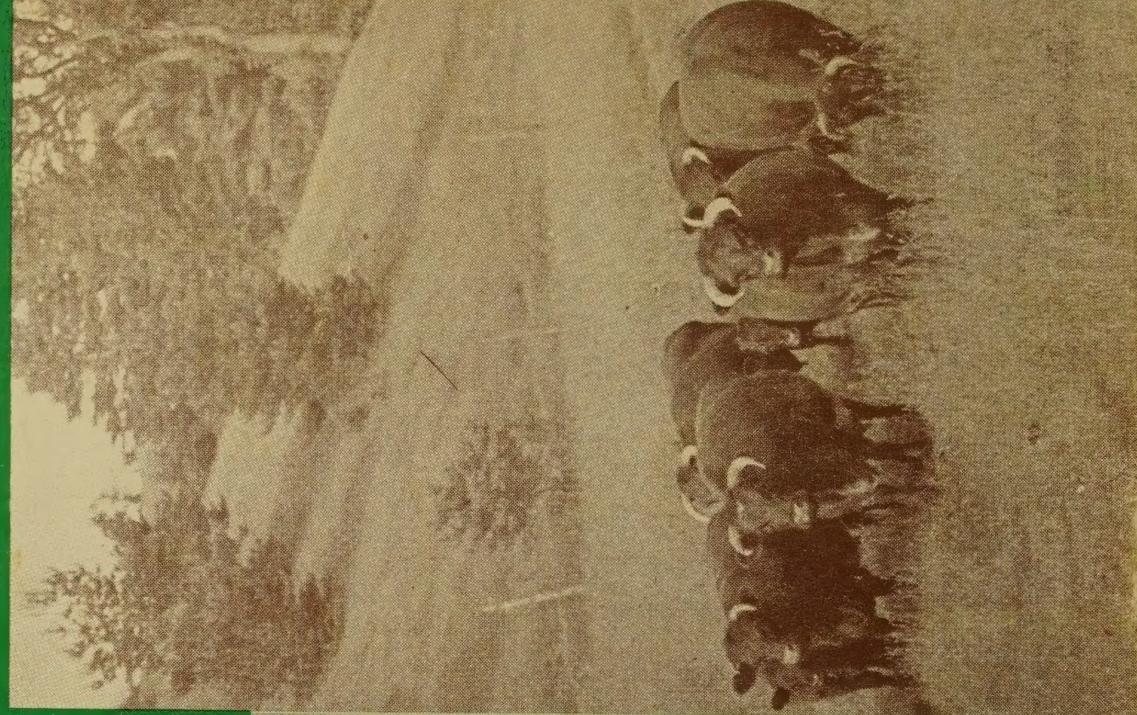

The cattle will all be displayed in grass lots surrounding the Georgetown sales pavilion and we encourage you to arrive as early as you like to inspect the offerings. Our farms are all nearby

and we would be pleased to show the herds to you the day before the sale.

Do plan to join us for dinner in the Thunderbird Motel, Brampton, Ont., on October 2, the night before the sale.

We look forward to your visit.

What yardstick do you use when you measure the success of a herd? Show winnings? All-Americans? Public acceptance in sales? Herd classification? Or the number of bulls and females from a herd in use by other highly successful breeders?

No matter how you look at it . . . no matter what your criteria . . . Aberfeldy, Ettrick and Scotsdale will measure up.

For more than 20 years Aberfeldy and Scotsdale have battled it out at the Royal Winter Fair and the Canadian National Exhibition. Between them, they have garnered the lion's share of the championships each year. The International — traditionally the granddaddy of all Shorthorn shows — is filled with winners from these herds — like Aberfeldy's three International champion or reserve grand champion bulls in as many years.

On the All-American roster, you will find these herds represented in abundance and . . . more important . . . you will find the sons and daughters of bulls they have sold to others.

There is only one reason for such dominance: careful attention to a breeding program designed to

lead these herds to their high goals. Today each one is at peak capacity and a large draft from each is included. In fact, if the Ettrick herd had not outgrown its land, many of their females would not be for sale.

One of the great disappointments for any breeder is to drive hundreds of miles in search of a bull or females, only to find his selection limited. There will be no problem like that at Georgetown on October 3. The bulls are the very tops from Aberfeldy and Scotsdale. There are a number that will undoubtedly be among the major winners at the later shows as there were last year. The females are representative of the families that have contributed to each farm's greatness and . . . as an added bonus . . . they are in calf to some of the world's most respected Shorthorn sires.

With buying opportunities like these and the special attraction of U.S. funds being at a premium in Canada, every breeder who is really sincere about improvement, should be on the seats.

We'll look forward to seeing you there.

HARRIS SIMONS, *The Shorthorn World*
